TEST BOOKLET
GENERAL STUDIES
PAPER - I

Time Allowed: TWO HOURS

Maximum Marks: 200

I N S T R U C T I O N S

1. IMMEDIATELY AFTER THE COMMENCEMENT OF THE EXAMINATION, YOU SHOULD CHECK THAT THIS TEST BOOKLET DOES NOT HAVE ANY UNPRINTED OR TORN OR MISSING PAGES OR ITEMS ETC. IF SO, GET IT REPLACED BY A COMPLETE TEST BOOK.
2. **Please note that it is the candidate's responsibility to encode and fill in the Roll Number and Test Booklet Series A, B, C or D carefully without any omission or discrepancy at the appropriate places in the OMR Answer Sheet. Any omission/discrepancy will render the Answer Sheet liable for rejection.**
3. You have to enter your Name, Email Id and Mobile No. on the test booklet in the Box provided alongside. *DO NOT* write anything else on the Test Booklet.

Name:
Email Id:
Mobile No:
4. This Test Booklet contains **100** items (questions). Each item is printed in **English**. Each item comprises four responses (answers). You will select the response which you want to mark on the Answer Sheet. In case you feel that there is more than one correct response, mark the response which you consider the best. In any case, choose **ONLY ONE** response for each item.
5. You have to mark all your responses **ONLY** on the separate Answer Sheet provided. See directions in the Answer Sheet.
6. **All** items carry equal marks.
7. Before you proceed to mark in the Answer Sheet the response to various items in the Test Booklet, you have to fill in some particulars in the Answer Sheet as per instructions sent to you with your Admission Certificate.
8. After you have completed filling in all your responses on the Answer Sheet and the examination has concluded, you should hand over to the Invigilator *only* the *Answer Sheet*. You are permitted to take away with you the Test Booklet.
9. Sheets for rough work are appended in the Test Booklet at the end.
10. **Penalty for wrong answers:**
 THERE WILL BE PENALTY FOR WRONG ANSWERS MARKED BY A CANDIDATE IN THE OBJECTIVE TYPE QUESTION PAPERS.
 - (i) There are four alternatives for the answer to every question. For each question for which a wrong answer has been given by the candidate, **one-third** of the marks assigned to that question will be deducted as penalty.
 - (ii) If a candidate gives more than one answer, it will be treated as **wrong answer** even if one of the given answers happens to be correct and there will be same penalty as above to that question.
 - (iii) If a question is left blank i.e., no answer is given by the candidate, there will be **no penalty** for that question.

Q.1) With reference to Indian polity, which of the following statements is **not** correct regarding the whip system in Parliament?

- The office of the Whip is mentioned neither in the Constitution of India nor in the Rules of Procedure and Conduct of Business of either House of Parliament.
- The Minister of Home Affairs serves as the Chief Whip of the ruling party in the Lok Sabha.
- Violation of a party whip may attract disqualification under the provisions of Tenth Schedule of the Constitution of India.
- A political party cannot issue an enforceable whip to its members for voting in the Presidential election.

Q.2) Consider the following Directive Principles of State Policy (DPSPs):

- To take steps to secure the participation of workers in the management of industries
- Providing children the opportunities and facilities to develop in a healthy manner
- To minimize inequalities in income, status, facilities, and opportunities.

- I. To carry out their administrative affairs, the provincial Governors were issued an Instrument of Instructions as a guiding framework.
- II. The provincial Governors were responsible to the Governor-General of India and the Secretary of State for India.

Select the correct answer using the code given below:

- a) I only
- b) II only
- c) Both I and II
- d) Neither I nor II

Q.13) With reference to classical Sanskrit Mahakavya literature, the epic Shishupalavadha is attributed to which of the following authors?

- a) Magha
- b) Bharavi
- c) Bhasa
- d) Shudraka

Q.14) The historical manuscripts Dravyaratnākara Nighaṇṭu and Dravyanamākara Nighaṇṭu, recently seen in news, are primarily associated with-

- a) Performance of Vedic Rituals
- b) Astronomy
- c) Ayurveda
- d) Mathematics

Q.15) Consider the following cities:

- I. Jaipur
- II. Hyderabad
- III. Lucknow
- IV. Delhi

Which of the above cities have been recognised as 'Cities of Gastronomy' under UNESCO Creative Cities Network?

- a) I, II and III
- b) II and III only
- c) I and IV only

d) II, III and IV

Q.16) In the context of Indian Polity, consider the following:

- I. Passing a resolution authorising Parliament to legislate on a matter enumerated in the State List in the national interest.
- II. Passing a resolution authorising Parliament to create one or more All India Services by law in national interest.
- III. Initiating a motion for the removal of the Vice-President of India.
- IV. Deciding which subjects are to be recognised as residuary matters on which only Parliament may legislate and not the state legislatures.

How many of the above are exclusive powers of the Rajya Sabha as per the Constitution of India?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.17) Consider the following countries:

- I. Bulgaria
- II. Denmark
- III. Austria
- IV. Sweden
- V. Poland

How many of the above countries are currently members of the euro area/euro zone?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.18) With reference to the powers of Governor of a State regarding the bills passed by the state legislature, consider the following statements:

- I. The Constitution prescribes a specific time-limit within which he/she must either give assent or return a bill for reconsideration of the state legislature.

- III. S/he cannot return a Money Bill to the State Legislature for reconsideration.

Which of the statements given above are correct?

- a) I and II only
- b) II and III only
- c) I and III only
- d) I, II and III

Q.19) With reference to the India's joint military exercises, consider the following information:

Exercise	Where it was held (2025 edition)	Associated partner country
I. Yudh Abhyas	Alaska, United States of America	United States of America
II. Desert Cyclone-II	Rajasthan, India	Israel
III. NOMADIC ELEPHANT	Himachal Pradesh, India	Mongolia
IV. Exercise SHAKTI	La Cavalerie, France	France

In how many of the above rows is the given information correctly matched?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.20) With reference to India, consider the following functionaries:

- I. Prime Minister
 - II. President
 - III. Vice-President
 - IV. Solicitor General of India
 - V. Attorney General of India
 - VI. Comptroller and Auditor General of India
- How many of the above are part of the Union Executive as per the Constitution of India?

- a) Only three
- b) Only four
- c) Only five
- d) All the six

Q.21) Consider the following:

- I. President of India
 - II. Vice-President of India
 - III. A candidate for election to Parliament
 - IV. Comptroller and Auditor-General of India
- Third Schedule of the Constitution of India includes the Forms of Oaths or Affirmations for how many of the above?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.22) With reference to the Population Census in India, consider the following statements:

- I. Census is a Union List subject under the Seventh Schedule of the Constitution of India.
- II. Census of India 2027 will be the 17th Census in the country and 9th after independence.
- III. Census of India 2027 will be the first in independent India to include caste enumeration in Census.
- IV. Census of India 2027 will be India's first fully digital Census.

Which of the above given statements are correct?

- a) I, III and IV only
- b) I and II only
- c) II, III and IV only
- d) I, II, III and IV

Q.23) With reference to the Constitution of India, which one of the following is **not** included under the Fundamental Right to Equality?

- a) Abolition of untouchability
- b) Equality of opportunity in matters of public employment

Which of the statements given above is/are correct?

- a) I only
- b) II only
- c) Both I and II
- d) Neither I nor II

Q.25) Consider the following statements regarding the Union Council of Ministers in India:

- I. The total number of Ministers, including the Prime Minister, in the Council of Ministers shall not exceed fifteen per cent of all the then members of the House of People.
- II. The Constitution prescribes that the Union Council of Ministers shall consist of not less than fifteen Ministers.
- III. A person who is not a member of either House of Parliament cannot take oath as a Union Minister.

Which of the statements given above is/are correct?

- a) I only
- b) I and II only
- c) II and III only
- d) None of the above

Q.26) Which among the following has become the first fully literate Union Territory of India as per the ULLAS - Nav Bharat Saaksharta Karyakram of Government of India?

- a) Chandigarh
- b) Delhi
- c) Ladakh
- d) Lakshadweep

Q.27) Consider the following pairs:

Country	Reason for being in the news
I. Venezuela	Political instability and capture of its sitting President by the United States of America.
II. Senegal	France, the former colonial ruler of the country, handed over its last military base in Senegal ending its permanent troop presence in the country.
III. Peru	Impeachment of the President and declaration of a state of emergency in the capital city by the new President.

How many of the pairs given above are correctly matched?

- a) Only one
- b) Only two
- c) All the three
- d) None

Q.28) Consider the following statements:

Statement I: The United States of America (USA) has recently intended to seek greater control over or even annexing Greenland.

Statement II: Greenland is strategically positioned between the USA, Canada, the European Union and Russia and there is general geopolitical understanding that control over Greenland provides control of the Arctic region.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I.
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I.
- c) Statement I is correct but Statement II is not correct.
- d) Statement I is not correct but Statement II is correct.

Q.29) Consider the following statements:

Statement I: Swell waves can travel thousands of kilometers from their point of origin without significant loss of energy.

Statement II: Swell waves are long wavelength waves.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I.
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I.
- c) Statement I is correct but Statement II is not correct.
- d) Statement I is not correct but Statement II is correct.

Q.30) With reference to Sustainable Aviation Fuel (SAF), recently seen in the news, which of the following statements is **incorrect**?

- a) It is derived from non-fossil feedstocks such as used cooking oil, plant waste and agricultural residue etc.
- b) It can be blended with conventional aviation turbine fuel and used in existing aircraft engines.

- c) India has set a target to achieve 5% blending of SAF in fuel for international flights by 2030.
- d) It has very low production cost due to high availability of feedstock for its production.

Q.31) With reference to India's fiscal policy framework, consider the following statements:

Statement I: The Government of India plans to shift to Debt-to-GDP ratio from the currently used fiscal deficit as the measure of its fiscal consolidation/fiscal prudence.

Statement II: Debt-to-GDP ratio is a more comprehensive indicator of fiscal health, as it reflects the cumulative impact of past and present borrowing and fiscal decisions, rather than only the deficit incurred in a single year. Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.32) Consider the following statements:

Statement I: An increase in the percentage share of gold in India's total foreign exchange reserves held by the RBI necessarily leads to appreciation of the Indian Rupee.

Statement II: Gold is considered a safe-haven reserve asset and diversification of foreign exchange reserves into gold reduces exposure to fluctuations in major foreign currencies such as the US dollar.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.33) With reference to Stablecoins, consider the following statements:

- I. These are blockchain-based digital assets designed to maintain a relatively consistent value over time.
- II. These are typically pegged to assets such as fiat currencies (e.g., US Dollar), commodities (e.g., gold), or a basket of assets.
- III. In India, gains arising from transfer of stablecoins are subject to a flat tax rate under the provisions applicable to Virtual Digital Assets.

Which of the statements given above are correct?

- a) I and III only
- b) I and II only
- c) II and III only
- d) I, II and III

Q.34) With reference to Indian philosophy, consider the following doctrines:

- I. Sunyavada
- II. Anekantavada
- III. Kshanika-vada
- IV. Nityavada

How many of the above doctrines primarily belong to Buddhism?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.35) With reference to archaeological sites in India, consider the following information:

Archaeological Site	State	Description
I. Poompuhar	Tamil Nadu	Ancient port city of the Chola Empire mentioned in Sangam literature.

Statement I: Since 2011, Syria has been witnessing a prolonged civil war which has evolved into a major geopolitical conflict involving multiple foreign powers.

Statement II: In 2011, the President of Syria was removed from office through a military coup, leading to the establishment of an interim military administration.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.42) With reference to monetary policy in India, consider the following statements:

Statement I: A reduction in the Cash Reserve Ratio (CRR) by the Reserve Bank of India may induce commercial banks to lower their lending interest rates.

Statement II: A decrease in the Cash Reserve Ratio increases the lendable resources available with commercial banks.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.43) With reference to the Motion of Thanks on the President's Address in the Indian Parliament, consider the following statements:

- I. The Motion of Thanks is moved separately in both Houses of Parliament after the President's Address at the commencement of the first session of each year.
- II. Amendments to the Motion of Thanks can be moved only in the Lok Sabha and not in the Rajya Sabha.
- III. The discussion on the Motion of Thanks is generally concluded by the reply of the Prime Minister in both Houses.

Which of the statements given above is/are correct?

- a) I and II only
- b) III only
- c) I and III only
- d) I, II and III

Q.44) With reference to a Constitutional Amendment Bill under Article 368 of the Constitution of India, consider the following statements:

- I. It can be introduced in the Parliament only with the prior recommendation of the President.
- II. In case of a disagreement between the Lok Sabha and the Rajya Sabha on such a Bill, the President may summon a joint sitting of both Houses to resolve the deadlock.
- III. The President of India is bound to give assent to a Constitution Amendment Bill duly passed by both Houses of the Parliament.

Which of the statements given above is/are correct?

- a) I only
- b) I and III only
- c) III only
- d) I, II and III

Q.45) Consider the following statements regarding the proclamation of the President's Rule in a State:

- I. The State of Punjab has experienced the imposition of President's Rule the maximum number of times among all the States in India.
- II. During the operation of President's Rule, the President may declare that the powers of the State Legislature shall be exercisable by or under the authority of Parliament.
- III. President's Rule in a state can be extended beyond three years if the Election Commission of India certifies that it is necessary due to difficulties in conducting elections to the State Legislative Assembly.

Which of the statements given above is/are correct?

- a) I, II and III
- b) I and II only
- c) II only
- d) I and III only

Q.46) Consider the following statements:

Statement I: Western Ghats have been categorised as a natural site of "significant concern" under the International Union for Conservation of Nature (IUCN) World Heritage Outlook 4 report.

Statement II: The Western Ghats have Outstanding Universal Value which influences large-scale biophysical and ecological processes over the entire Indian peninsula.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.47) Consider the following statements:

Statement I: There has been a significant humanitarian crisis and large-scale displacement of civilians along the Thailand–Cambodia border recently.

Statement II: Thailand and Cambodia have a long-standing border dispute, including competing claims over areas surrounding a medieval era Temple.

Which one of the following is correct in respect of the above statements?

- Both Statement I and Statement II are correct and Statement II explains Statement I
- Both Statement I and Statement II are correct but Statement II does not explain Statement I
- Statement I is correct but Statement II is not correct
- Statement I is not correct but Statement II is correct

Q.48) With reference to the Assistance in Deploying Energy Efficient Technologies in Industries & Establishments (ADEETIE) Scheme, consider the following statements:

- It is a flagship initiative of the Ministry of New and Renewable Energy.
- It provides interest subvention on loans to Micro, Small and Medium Enterprises for Energy Efficiency technology adoption.
- The energy-intensive sectors like Food Processing and textiles are covered under the scheme.

Which of the statements given above are correct?

- I and II only
- I and III only
- II and III only
- I, II and III

Q.49) With reference to the Collection of Real Time Observations and Photo of Crops (CROPIC) initiative, consider the following statements:

- It is a technology-driven initiative launched under the Pradhan Mantri Krishi Sinchayi Yojana.

II. It is funded through the Agriculture Infrastructure Fund (AIF) of the Government of India.

Which of the statements given above is/are **incorrect**?

- II only
- I only
- Both I and II
- Neither I nor II

Q.50) Consider the following statements regarding the Pradhan Mantri Skilling and Employability Transformation through Upgraded ITIs (PM-SETU) Scheme:

- It is a Central Sector Scheme.
- It aims to transform 1,000 Government Industrial Training Institutes (ITIs) across India into modern, industry-aligned training institutions.
- It follows a hub-and-spoke model, comprising hub ITIs linked to several spoke ITIs.

Which of the statements given above are correct?

- I and II only
- I and III only
- II and III only
- I, II and III

Q.51) With reference to Major Planetary Winds, consider the following statements:

Statement I: The Westerlies are generally referred to as anti-trade winds.

Statement II: The Westerlies blow from the polar high-pressure belts towards the sub-polar low-pressure belts.

Which one of the following is correct in respect of the above statements?

- Both Statement I and Statement II are correct and Statement II explains Statement I.
- Both Statement I and Statement II are correct but Statement II does not explain Statement I.
- Statement I is correct but Statement II is not correct.
- Statement I is not correct but Statement II is correct.

Q.52) With reference to the vertical distribution of temperature in earth's atmosphere, consider the following statements:

Statement I: The temperature decreases with increase in altitude in the troposphere.

Statement II: The Earth receives energy from the Sun in the form of short-wave radiation.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I.
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I.
- c) Statement I is correct but Statement II is not correct.
- d) Statement I is not correct but Statement II is correct.

Q.53) Consider the following:

I. Rocks from mining activities

II. Meteors

III. Volcanic eruptions

IV. Gravity anomaly

V. Seismic waves

How many of the above are direct sources of information about the interior of the Earth?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.54) With reference to ocean tides and their implications, consider the following statements:

- I. These are primarily caused by the gravitational pull exerted by the Moon and the Sun on the Earth's surface.
- II. The intertidal zone supports specialised life forms because organisms there are adapted to periodic submergence and exposure caused by tidal oscillations.
- III. Kerala has recently declared coastal high-tide flooding as a State-specific disaster.

Which of the statements given above are correct?

- a) I and II only
- b) II and III only
- c) I and III only
- d) I, II and III

Q.55) Which of the following pairs of countries are two largest soybean producers in the world?

- a) Brazil and Argentina
- b) United States of America and China
- c) Brazil and United States of America
- d) United States of America and India

Q.56) With reference to the major Himalayan tributaries of the Indus River flowing through India, which one of the following represents the correct north to south arrangement of these rivers?

- a) Jhelum – Chenab – Sutlej
- b) Jhelum – Sutlej – Chenab
- c) Chenab – Jhelum – Sutlej
- d) Sutlej – Chenab – Jhelum

Q.57) With reference to the coastal plains of India, consider the following statements:

Statement I: The western coast of India provides better natural conditions for the development of ports and harbours than the eastern coast.

Statement II: The western coast is largely a submergent coast, whereas the eastern coast is predominantly an emergent coast.

Statement III: The rivers flowing into the western coast form large deltas, while those on the eastern coast generally form estuaries. Which of the above is correct in respect of the above statements?

- a) Both Statement II and Statement III are correct and both of them explain Statement I.
- b) Both Statement II and Statement III are correct, but only one of them explains Statement I.
- c) Only one of the Statement II and III is correct and that explains Statement I.
- d) Neither Statement II nor Statement III is correct.

Q.58) Consider the following countries:

- I. Bahrain
- II. Kuwait
- III. Iraq
- IV. Qatar
- V. Saudi Arabia

How many of the above countries have a border with the Persian Gulf?

- a) Only three
- b) Only four
- c) Only two
- d) All the five

Q.59) With reference to Tiger Reserves in India, consider the following information:

Tiger Reserve	State	River flowing through
I. Panna	Madhya Pradesh	Son River
II. Satkosia	Odisha	Mahanadi River
III. Achanakmar	Chhattisgarh	Moyar River
IV. Mudumalai	Tamil Nadu	Maniyari River

In how many of the above rows is the given information correctly matched?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.60) With reference to some of the world's famous mountain peaks, consider the following information:

Mountain Peak	Mountain Range	Location
I. Mount Everest	Himalayas	India
II. Aconcagua	Andes	Argentina
III. Mont Blanc	Rocky Mountains	Canada
IV. Mount Elbert	Alps	Switzerland

In how many of the above rows is the information correctly matched?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.61) With reference to India's biodiversity, the organisms *Tenkana jayamangali*, *Piratula acuminata* and *Mimetus Spinatus*, recently seen in the news, are:

- a) Birds
- b) Reptiles
- c) Spiders
- d) Fish

Q.62) Consider the following statements:

Statement I: Black plastic, which is extensively used for food containers and kitchen utensils, may leach harmful chemicals into the food.

Statement II: Black plastic is often manufactured from recycled electronic waste, which may contain substances such as brominated flame retardants and heavy metals.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.63) With reference to environmental initiatives and organizations, consider the following pairs:

Initiative / Programme	Associated Organization / Institution
I. AIM4NatuRe Initiative	Food and Agriculture Organization (FAO)
II. Global Energy Alliance for People and Planet (GEAPP)	World Bank
III. Net-Zero Nature-Positive Accelerator Integrated Program	United Nations Environment Programme (UNEP)

How many of the pairs given above are correctly matched?

- a) Only one
- b) Only two
- c) All the three
- d) None

Q.64) With reference to the Third United Nations Ocean Conference, 2025, consider the following statements:

- I. It was co-hosted by Portugal and Kenya.
- II. The 'High Seas Treaty' was formally adopted for the first time during this Conference.
- III. During the conference, a political declaration titled "Our ocean, our future: united for urgent action" was adopted with the consensus of member countries.

Which of the statements given above is/are correct?

- a) I and III
- b) II and III
- c) III only
- d) I only

Q.65) Consider the following statements about the Gangetic River Dolphins:

- I. They are blind and rely on echo-location to communicate and move.
- II. They are frequently found alone or in small groups.
- III. Male Gangetic Dolphins are generally larger in size than females.
- IV. The Vikramshila Gangetic Dolphin Sanctuary, Bihar, is the only notified dolphin sanctuary in India.

Which of the statements given above are correct?

- a) I, II and III only
- b) I, II, III and IV
- c) III and IV only
- d) I, II and IV only

Q.66) With reference to the Global Carbon Harvest Coalition, recently seen in the news, which one of the following statements is correct?

- a) It was launched at the COP29 of the United Nations Framework Convention on Climate Change held in Baku, Azerbaijan.
- b) India is among the key countries leading the Coalition, in partnership with Brazil and Kenya.
- c) Its primary objective is to establish a legally binding global carbon tax under the Paris Agreement framework.
- d) The coalition is funded exclusively through financial support provided by the Green Climate Fund (GCF).

Q.67) Consider the following States in India:

- I. Odisha
- II. Madhya Pradesh
- III. Uttar Pradesh
- IV. Chhattisgarh

How many of the above States have shown a net increase in forest and tree cover as per India State of Forest Report (ISFR) 2023 compared to 2021?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.68) India has recently submitted the nomination dossier of the “Jingkieng Jri / Lyu Chrai Cultural Landscape” to UNESCO for consideration as a World Heritage Site. The dossier primarily represents the living root bridges found in which Indian state?

- a) Arunachal Pradesh
- b) Sikkim
- c) Nagaland
- d) Meghalaya

Q.69) With reference to ecology, consider the following associations:

- I. Remora fish attaching to sharks for transportation and leftover food
- II. Mycorrhizae (fungi), associated with the roots of higher plants
- III. Penicillium Fungus secreting antibiotics that inhibit bacterial growth
- IV. An Orchid growing as an epiphyte on a mango branch

How many of the above associations are examples of commensalism?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.70) Consider the following fauna species of India:

- I. Gharial
- II. Great Indian Bustard
- III. Asiatic Lion
- IV. Bengal Florican

How many of the above are classified as Critically Endangered under the International Union for Conservation of Nature (IUCN) Red List of Threatened Species?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.71) Consider the following states:

- I. Bihar
- II. Uttar Pradesh

III. Haryana

IV. Punjab

Both the Eastern Dedicated Freight Corridor (EDFC) and the Western Dedicated Freight Corridor (WDFC) pass through how many of the above given states?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.72) With reference to the Inter-Tropical Convergence Zone (ITCZ), consider the following statements:

- I. It is a low pressure zone located near the equator where trade winds converge.
- II. It is a zone where atmospheric air descends.
- III. It shifts northward during the summer season in the Northern Hemisphere and southward during the summer season in the Southern Hemisphere.

Which of the statements given above are correct?

- a) I and II only
- b) II and III only
- c) I and III only
- d) I, II and III

Q.73) Consider the following statements:

- I. Generally found on the western margins of continents in the mid-latitudes.
- II. Moist climate in which most of the precipitation occurs during winter, while summers experience comparatively less rainfall.
- III. These climatic regions remain under the permanent influence of the Westerlies throughout the year

Which one of the following types of climate is best described in above given statements?

- a) Mediterranean Climate
- b) British Type Climate
- c) Humid Subtropical Climate
- d) Steppe Climate

Q.74) Consider the following statements regarding Earthquake Waves:

- I. P-waves can travel through solid, liquid and gaseous materials, whereas S-waves can travel only through solid materials.
- II. Compared to body waves, surface waves are more destructive.

Which of the statements given above is/are correct?

- a) I only
- b) II only
- c) Both I and II
- d) Neither I nor II

Q.75) Consider the following phenomenon:

- I. Length of day and night
- II. Seasons on Earth
- III. Trade winds
- IV. Ocean currents
- V. Tropical cyclones

How many of the above are influenced by the Coriolis force?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.76) Which among the following is **not** included as a Green House Gas mitigation activity included in the list of activities finalized by India to be considered for trading of carbon credits under bilateral/ cooperative approaches under Article 6.4 mechanism of Paris Agreement?

- a) Green Hydrogen
- b) Offshore Wind Energy
- c) Compressed bio-gas
- d) Agriculture, Forestry and Other Land Use (AFOLU) sector

Q.77) With reference to Coral Bleaching, which of the following statements are correct?

- I. It occurs when corals expel their symbiotic algae due to stress, causing them to turn white.

II. Prolonged marine heatwaves and rise in sea surface temperature are major causes of coral bleaching.

III. The recent global mass bleaching event that began in 2023 has affected a majority of the Great Barrier Reef off the coast of Australia.

Select the correct answer using the code given below.

- a) I and II only
- b) I and III only
- c) II and III only
- d) I, II and III

Q.78) Consider the following:

- I. Dinoflagellate algae
- II. Jellyfish
- III. Fireflies
- IV. Termites
- V. Parrots

The bioluminescence phenomenon is exhibited by the species of how many of the above kind of organisms?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.79) Consider the following:

- I. Botanical Gardens
- II. Biosphere Reserves
- III. Seed Banks

How many of the above are ex-situ biodiversity conservation methods?

- a) Only one
- b) Only two
- c) All the three
- d) None

Q.80) Consider the following statements:

Statement I: The Climate and Clean Air Coalition has launched the Super Pollutant Country Action Accelerator in certain countries.

Statement-II: The Super Pollutant Country Action Accelerator primarily targets for sustained reduction in emissions of carbon dioxide (CO₂), nitrogen dioxide (NO₂) and sulphur hexafluoride (SF₆).

Which one of the following is correct in respect of the above statements?

- Both Statement I and Statement II are correct and Statement II explains Statement I.
- Both Statement I and Statement II are correct but Statement II does not explain Statement I.
- Statement I is correct but Statement II is not correct.
- Statement I is not correct but Statement II is correct.

Q.81) Which of the following best describes the replacement level fertility rate in a country?

- The average number of children a woman must bear to exactly replace herself and her partner in the population.
- The number of live births required per 1,000 population to maintain zero population growth in a given year.
- The total number of children born in a country divided by the total number of women of reproductive age.
- The average number of daughters a woman would have if she survived all of her childbearing years.

Q.82) Which of the following statements with regard to Initial Public Offering (IPO) are correct?

- It is the process by which a private company sells its shares to the public for the first time to raise equity capital.

II. Grey Market Premium refers to the premium at which IPO shares are unofficially traded before formal listing on a designated stock exchange.

III. The Draft Red Herring Prospectus is a preliminary document that a company files with the Securities and Exchange Board of India before launching an IPO.

Select the correct answer using the code given below.

- I and II only
- II and III only
- I and III only
- I, II and III

Q.83) With reference to the Indian financial system, consider the following instruments:

I. State Development Loans (SDLs)

II. Treasury Bills (T-bills)

III. Tri-party Repo

IV. Commercial Papers (CP)

V. Cash Management Bills (CMBs)

VI. Repurchase Agreements (Repos)

How many of the above are money market instruments in the Indian financial system?

- Only three
- Only four
- Only five
- All the six

Q.84) Consider the following:

I. Sale of Government Securities (G-Secs) by RBI in the open market.

II. Reduction in the Cash Reserve Ratio (CRR) for commercial banks by RBI.

III. Purchase of Government Securities (G-Secs) by RBI from the secondary market.

IV. Change in the Repo Rate under the monetary policy framework by RBI.

How many of the above are examples of Open Market Operations conducted by the Reserve Bank of India?

- Only one
- Only two
- Only three
- All the four

Q.85) With reference to inflationary trends in an economy, consider the following pairs:

Economic Scenario/Inflationary Trend	Type of Inflation
I. Persistent rise in prices due to sharp increase in government expenditure when the economy is near full employment	Demand-pull inflation
II. Rise in general price level following a sudden sharp increase in crude oil prices	Cost-push inflation
III. Continuous fall in general price level accompanied by decline in output and rise in unemployment	Disinflation
IV. Gradual reduction in the rate of inflation through deliberate policy measures without causing abrupt shock to the economy	Hyper-inflation

How many of the above given pairs are correctly matched?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.86) With reference to India, consider the following pollutants:

- I. Sulphur Dioxide (SO₂)
- II. Lead (Pb)
- III. Carbon Monoxide (CO)
- IV. Ammonia (NH₃)
- V. Nitrogen Dioxide (NO₂)

How many of the above have been identified for regular monitoring at different locations across India under the National Air Quality Monitoring Programme (NAMP)?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.87) With reference to the components of the Balance of Payments (BoP) of India, consider the following pairs:

Economic Transaction	Account in which transaction is recorded
I. A tourist from France visits India and purchases Indian handicrafts during the visit.	Capital Account
II. An Indian software company provides IT services to a firm based in Germany and receives payment.	Current Account
III. The Government of India raises funds by issuing sovereign bonds to investors in Japan.	Capital Account
IV. An Indian bank repays the principal amount of an external commercial borrowing to a foreign lender.	Current Account

How many of the pairs given above are correctly matched?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.88) Which one of the following terms is most appropriately used to denote an advanced Artificial Intelligence system that can autonomously perceive its environment, set goals, make decisions, and execute multi-step actions with minimal human intervention in order to accomplish complex tasks?

- a) Explainable AI
- b) Generative AI
- c) Edge AI
- d) Agentic AI

Q.89) Consider the following statements with reference to the Navratna Companies in India:

- I. Only Central Public Sector Enterprises (CPSEs) which have made profits in the three out of last five years can be considered for grant of Navratna status.
- II. Indian Railway Catering and Tourism Corporation (IRCTC), Indian Railway Finance Corporation (IRFC), and Numaligarh Refinery Limited (NRL) have recently been granted Navratna status.

Which of the statements given above is/are correct?

- a) I only
- b) II only
- c) Both I and II
- d) Neither I nor II

Q.90) With reference to the Payments Regulatory Board (PRB) in India, consider the following statements:

- I. It is chaired by the Governor of the Reserve Bank of India (RBI).
- II. It is responsible for regulation and supervision of payment and settlement systems in India on behalf of RBI as per the Payment and Settlement Systems Act, 2007.

Which of the statements given above is/are correct?

- a) I only
- b) II only
- c) Both I and II
- d) Neither I nor II

Q.91) Consider the following processes:

- I. Incineration
- II. Gasification
- III. Vermicomposting
- IV. Pyrolysis
- V. Phytoremediation

How many of the above processes are examples of Waste-to-Energy (WtE) technologies?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.92) Consider the following statements:

Statement I: Compared to the conventional Ballistic Missiles, the Hypersonic Glide Vehicles (HGVs) are much harder to be intercepted by traditional missile defence systems.

Statement II: Unlike ballistic missiles which follow a fixed, predictable parabolic trajectory, HGVs travel at lower altitudes and possess the ability to maneuver mid-flight.

Which one of the following is correct in respect of the above statements?

- a) Both Statement I and Statement II are correct and Statement II explains Statement I
- b) Both Statement I and Statement II are correct but Statement II does not explain Statement I
- c) Statement I is correct but Statement II is not correct
- d) Statement I is not correct but Statement II is correct

Q.93) Which of the following engines utilizes an air-breathing propulsion system?

- a) Solid Propellant Rocket Engine
- b) Liquid Propellant Rocket Engine
- c) Cryogenic Engine
- d) Scramjet Engine

Q.94) Consider the following applications:

- I. Electronic toll collection systems such as FASTag
- II. Biometric authentication in Aadhaar using fingerprint scanning
- III. Inventory tracking and supply chain management in warehouses
- IV. Contactless metro and smart transit cards
- V. Magnetic stripe-based debit and credit cards

In how many of the above applications is Radio Frequency Identification (RFID) technology used?

- a) Only two
- b) Only three
- c) Only four
- d) All the five

Q.95) Consider the following Indian Naval Ships:

- I. INS Mahe
- II. INS Anjadip
- III. INS Vikramaditya
- IV. INS Arihant

How many of the above are Anti-Submarine Warfare-Shallow Water Craft (ASW-SWC)?

- a) Only one
- b) Only two
- c) Only three
- d) All the four

Q.96) With reference to Quick Response (QR) Code, consider the following statements:

- I. It is a two-dimensional machine-readable unique pattern that contains information on a specific task.
- II. It incorporates error-correction mechanisms that allow the stored data to be retrieved even if a portion of the code is damaged or obscured.
- III. An active internet connection is mandatory to scan a QR code in order to decode the stored information in the QR code.
- IV. "Quishing" is a cyber-attack where a legitimate QR code is physically or digitally replaced with a malicious one to steal user credentials or financial data.

Which of the statements given above are correct?

- a) I and IV only
- b) I, II and IV only
- c) II and III only
- d) I, II, III and IV

Q.97) The term "Zero-Knowledge Proof", often seen in the context of cryptography and blockchain technologies, refers to a:

- a) cryptographic technique through which one party can prove the validity of an information to another party without revealing the actual information.
- b) cryptographic technique through which digital signatures are generated to

authenticate users and validate blockchain transactions.

- c) blockchain consensus mechanism that requires participating nodes to solve complex cryptographic puzzles to validate transactions.
- d) blockchain technology that ensures transparency by allowing all users in the network to view the complete history of a transaction.

Q.98) The "Willow" quantum processor, recently reported to have achieved the first "verifiable quantum advantage," has been developed by:

- a) Google
- b) OpenAI
- c) Microsoft
- d) Amazon

Q.99) Which among the following group of cities in India have been officially recognized with the 'Wetland City Accreditation' under the Ramsar Convention?

- a) Indore and Bhopal
- b) Udaipur and Srinagar
- c) Indore and Udaipur
- d) Srinagar and Bhopal

Q.100) With reference to the Indian economy, the term "Economic Capital Framework" is most closely associated with the:

- a) fiscal deficit management by the Union Ministry of Finance.
- b) capital adequacy norms for commercial banks regulated by Reserve Bank of India.
- c) regulation of capital markets by the Securities and Exchange Board of India.
- d) risk provisioning and surplus distribution by the Reserve Bank of India.
